SET FOR GRAND CELEBRATIONS: BOCHA MLA GRACES ANNUAL FUNCTION

By- **Nancy Kumari**

Class- 10

[Mother Teresa Vidyapeeth], Muzaffarpur: The campus was buzzing with immense joy and pride as our school celebrated its highly anticipated Annual Function.

The event was a spectacular blend of talent, culture, and academic achievements.

Adding immense prestige to the occasion, the **Honorable MLA of Bochaha** , Mrs. Baby Kumari, graced the grand event as the Chief Guest.

The celebrations kicked off with a grand and heartwarming welcome. As Mrs. Baby Kumari entered the venue alongside our respected **Director** and esteemed **Principal**, they were greeted by a beautiful human chain of students. The children, dressed in immaculate uniforms and flashing bright smiles, held up beautifully decorated placards with welcome words, setting a vibrant and festive tone for the day.

DIVINE BEGINNING

Mother Teresa Vidyapeeth, Muzaffarpur:

Our school's grand Annual lamp-lighting ceremony. The auspicious ritual was performed near the decorated stage by our esteemed Chief Guest, along with our visionary **Director Sir** and respected **Principal Ma'am**. The event began with a lovely welcome at the entrance, where students lined up in crisp uniforms, Function started beautifully with the traditional holding creative placards with welcome words

Before the music echoed, before the trophies were held high, and before the stage became a canvas of color, the Annual Function commenced with its most sacred and beautiful ritual: the Divine Beginning. Standing as a symbol of wisdom, purity , and new horizons, the traditional lighting of the lamp officially set the grand evening into motion.

The ceremony began in pin-drop silence as our respected **Principal**, distinguished **Chief Guests**, and senior faculty members walked toward the beautifully decorated ceremonial lamp. This serene opening moment serves a profound purpose, reminding everyone present that before we celebrate external achievements, we must first honor the light of knowledge within ourselves.

Echoes of Triumph: Celebrating the Brilliance of Our Academic Toppers

The most spectacular moment of this year’s Annual Function unfolded when the names of our academic toppers echoed through the auditorium. Standing tall on the stage, holding their glittering trophies and certificates, these extraordinary students were the true stars of the evening. They did not just clear their exams; they conquered them, setting a golden standard of brilliance for the entire school.

Reaching the top of the scoreboard is no ordinary feat. It demands a level of focus, dedication, and mental strength that deserves the highest praise. These toppers have proven that with sharp intellect and unwavering determination, no goal is too high to achieve.

The Anatomy of Genius: Beyond the Report Card

It is easy to look at a perfect transcript or a top rank and attribute it solely to raw intelligence. However, brilliance is rarely just an innate trait; it is a habit. Our academic toppers remind us that true success is an alchemy of several critical elements:

- **Relentless Consistency:** Genius isn't sparked overnight. It is built brick by brick, through daily discipline, active engagement in lectures, and the grit to push through complex subjects when it would be easier to quit.
- **Curiosity Over Compliance:** The students who rise to the top don't just memorize formulas to pass an exam; they ask *why* those formulas work. They possess a deep-seated curiosity that transforms studying from a chore into a pursuit of truth.
- **Resilience in the Face of Failure:** Behind every flawless report card lies a trail of trial and error. Toppers are not those who never stumble; they are those who view a poor mock test or a misunderstood concept as a data point for improvement rather than a definition of their worth.

Embracing the Rhythm: The Heartbeat of Our Annual Function

There is a unique magic that unfolds when the lights dim, the bass drops, and the stage comes alive with movement. In any annual function, the cultural segment is the soul of the evening—and within that soul, **dance** is the undisputed heartbeat.

Dance is far more than just choreographed steps or a synchronized routine; it is a universal language that bridges generations, tells profound stories, and celebrates the sheer joy of being alive.

Greenery in the Classrooms: A Memorable "Salad Day" at Our School.

School life is a beautiful journey filled with books, sports, and exams. However, the days we remember the most are those unique events that bring everyone together. Recently, our school celebrated one such vibrant and unforgettable event: "Salad Day."

The most remarkable feature of this celebration was that it was entirely a student-driven initiative. Every student did all the work inside their respective classrooms, while our teachers stood by us as a strong pillar of support and guidance.

By- **Mukund Madhav**

The campus of Mother Teresa Vidyapeeth was filled with laughter, tears of joy, and a deep sense of gratitude as students, teachers, and staff came together to celebrate Mother's Day. True to the compassionate spirit of our patron, Mother Teresa, the event was organized to honor the unconditional love, selfless sacrifices, and invaluable roles that mothers play in our lives.

A Warm and Vibrant Welcome

The celebration kicked off in the beautifully decorated school auditorium, which was adorned with handmade cards, colorful ribbons, and portraits of mothers painted by our talented student artists. Mothers were welcomed at the gates with traditional *tilak* and handmade paper roses crafted lovingly by the primary section students.

Following the song, our respected Principal inaugurated the event with a touching speech, reminding everyone of the silent sacrifices mothers make daily to secure our futures.

Exciting Games and Heartwarming Bonding

The main highlight of the day was the interactive session designed to let mothers and their children bond, laugh, and compete together. The school organized several exciting games that brought out everyone's competitive and joyful spirit.
